Montpelier, Vermont

**Friday October 28, 2011**

Asa Bloomer Building  
88 Merchants Row  
2<sup>nd</sup> Floor, RM 266  
Rutland, Vermont

**9:00 – 12:30**

The Vermont Department of Public Service invites you to participate in a discussion on the future of Vermont RBES and CBES Energy Code compliance. Topics include:

- Results of the recent energy code survey and research into code compliance mechanisms
- Options for achieving 90% energy code compliance
- Who should be involved with supporting energy code compliance
- Appropriate compliance and enforcement mechanisms for Vermont

**Participate in either of these two workshops to provide stakeholder input. The final workshop is scheduled for 12/7 to present the code compliance plan.**

Please RSVP if you plan to attend to either workshop:
