Subject: Value of VY Decommissioning Fund as of June 30, 2016

As of June 30, 2016, the market value of the Vermont Yankee Nuclear Power Station's decommissioning trust fund accounts was \$585,157,999. The balance of the Vermont Yankee Site Restoration Trust was \$16,506,999. To put this number into context, the value of the decommissioning fund for the past six months has been as follows:

June 30, 2016	\$585,157,999
May 31, 2016	\$586,500,689
April 30, 2016	\$594,111,953
March 31, 2016	\$597,951,857
February 29, 2016	\$583,222,887
January 31, 2016	\$588,496,870

Please note that Entergy filed a 30-day pre-notice of disbursement from the decommissioning trust for up to \$4,200,000 with the NRC on May 9, 2016, and the disbursement may be reflected in the current balance. Entergy also filed a disbursement pre-notice on June 14, 2016 for up to \$11,000,000. That disbursement is not reflected in the balance.
