

Application for Energy Assistance for Green Mountain Power Customers

201UDI

Energy Assistance helps lower-income Vermonters afford electricity for their homes. If we determine that you are eligible, you'll get a 25% discount off the monthly charge for the first 600 kilowatt hours of energy used. This could save you up to \$300 a year!

To be eligible for energy assistance, you must:

1. Be a residential customer of Green Mountain Power; and
2. Have a total gross household income at or below 150% of the federal poverty level.

To apply, follow these three easy steps:

1. Fill out both sides of this form. **PRINT CLEARLY.**
2. Sign and date the form in the space provided on the next page.
3. Mail your completed application, along with a copy of your most recent electric bill, to the address at the bottom of this page. *If you send an original bill, it will not be returned to you.*

If you do not fully complete both sides of this form & attach a copy of your most recent electric bill, your application will be denied and you will have to start over. You must reapply each year.
