Re: New Haven Town Plan
Request for a Determination of Energy Compliance

Dear Mr. Commons:

Commissioner Tierney's June 20, 2017 request to Secretary Flynn with regard to the above-referenced matter has been referred to me for reply.

Pursuant to 24 V.S.A. § 4352(i), VTrans has reviewed the March 7, 2017 Town of New Haven Town Plan. VTrans does not have any recommendations for changes to the Plan.

Thank you for the opportunity to comment, and please do not hesitate to contact me if you would like to discuss anything in particular about the Town of New Haven's request for an energy compliance determination.

Sincerely,

A handwritten signature in black ink that reads "Daniel D. Dutcher".
