

Use of Financing

- What alternatives are there to taking on more debt?
- Could BVCWS take a more measured approach to keep rates more affordable?
- Why can't BVCWS borrow instead of raising rates to gradually increase costs instead of all at once?
- What improvements are funded/required of BVCWS under the new VEDA loan? Are meters required?
- What have been the costs & revenues to operate the water system over the year? How can I find this information?
- What audits have been performed by the PUC? Is company financially responsible?
- What is DEC's role in loan financing?
