- Deerfield Valley CUD (22)
- Deerfield Valley CUD/Southern Vermont CUD (2)
- ECFiber (30)
- Lamoille FiberNet CUD (8)
- NEK Broadband (48)
- NEK Broadband/Lamoille FiberNet CUD (1)
- Northwest CUD (13)
- Otter Creek CUD (17)
- Southern Vermont CUD (12)

Study Area

- Deerfield Valley CUD (4)
- NEK Broadband (7)
- Northwest CUD (7)
- Otter Creek CUD (4)
- Southern Vermont CUD (1)

Communications Union Districts (CUDs), allow two or more towns to bond together as a municipal entity for a means of building communication infrastructure together. See Title 30: Public Service, Chapter 82: Communications Union Districts in Vermont state statutes. Other types of municipal districts include Solid Waste Districts, Consolidated Sewer Districts, etc.

*The map only shows towns. Incorporated villages, such as Enosburg Falls, have also voted to join CUDs.

*Towns marked as part of a study area were either included in studies funded by the Broadband Innovation Grant OR towns that are actively engaging with or working to become a member of a CUD.
