MEDIA RELEASE

Vermont Public Service Department Announces October 16, 2019 Meeting of the Nuclear Decommissioning Citizens Advisory Panel.

Montpelier, VT – The Vermont Department of Public Service today announced the next meeting of the Vermont Nuclear Decommissioning Citizens Advisory Panel (VT NDCAP) has been scheduled for Wednesday, October 16, 2019, from 6:00 PM to 9:15 PM in the Brattleboro Area Middle School Multi-Purpose Room, [109 Sunny Acres Road, Brattleboro, VT](#). (VT NDCAP had previously planned to meet in September, but due to multiple scheduling conflicts, was unable to do so.)

In addition to updates from NorthStar and Vermont State Agencies on recent Vermont Yankee (VY) decommissioning activities, the Panel will hear updates from Vermont's Congressional Delegation regarding proposed decommissioning-related legislation. Elections for a new Panel Chair and Vice-Chair will be held. The Panel will begin discussing possible changes to the Panel's Enabling Statute concerning panel composition, function and responsibilities. This discussion will likely continue to subsequent Panel meetings. Public input to this discussion is encouraged.

The complete agenda for the Wednesday, October 16, 2019 meeting may be viewed at: <https://publicservice.vermont.gov/content/final-agenda-10-16-2019>.

Presentation material for this meeting will be added to the VT NDCAP website at <http://publicservice.vermont.gov/electric/ndcap> as it becomes available. (Video recordings and meeting materials from previous VT NDCAP meetings are also available at this webpage.)

All meetings of the Vermont Nuclear Decommissioning Citizens Advisory Panel, including its committee meetings, are open to the public. The public may submit comments to the Panel by emailing PSD.NDCAP@vermont.gov. (All emails sent to VT NDCAP become public record.)

Remote Access will be available for the meeting. Please email Tony Leshinskie, Vermont State Nuclear Engineer at anthony.leshinskie@vermont.gov or through PSD.NDCAP@vermont.gov to request a remote access connection. Remote access requests should be made no later than 5:00 PM on October 14, 2019.
