At this meeting, the Committee will review its 2024 activities and discuss its next steps in assessing current Federal nuclear waste policies. Potential Committee meeting dates will be identified. Language in the [VT NDCAP 2024 Draft Annual Report](#) summarizing Committee activities will be assessed. Public input on potential Committee activities for 2025 will be welcomed.

The December 2nd FNWP Committee meeting is scheduled to run for 1 hour. While public comments during the meeting are encouraged, speaking opportunities may be limited by this time constraint. Members of the public are encouraged to provide written questions and comments in advance via VT NDCAP's email address at PSD.NDCAP@vermont.gov.

All emails sent to the Committee become public record and may be published on the VT NDCAP website (<https://publicservice.vermont.gov/electric/ndcap>) or the [FNWP Committee Webpage](#).

Questions regarding the December 2nd FNWP Committee meeting or any other VT NDCAP meeting may be directed to State Nuclear Engineer Tony Leshinskie via the contact information noted above.
