XIII. VCUDA Updates

This item was moved after item #6.

Rob Vietzke commented on all of the successes for the year around the state. He thanked everyone for their support on the SPICES grant, support of make ready, policy work that has been completed and shared financial services. VCUDAs Legislative agenda looks a lot like the staff shared Priorities in the Board packet with a couple nuances. As we contemplate the timeline through the holiday season, the challenge process and the pre-application. Hoping for as much time as possible, and having the timeline reflect the application period. Having the application templates

out as soon as possible. Have started to review the Digital Equity Plan and will refile public comments on Policy drafts once published and mentioned the current draft for comment is missing the reference.

The board asked to ensure all policy drafts are circulated to the Board and the public. Staff will send links to the Board for the website location containing Board Policy.
