MEDIA RELEASE

September 18, 2023 Meeting of the Vermont Nuclear Decommissioning Citizens Advisory Panel Announced

Montpelier, VT – The Vermont Nuclear Decommissioning Citizens Advisory Panel (VT NDCAP) will hold its second regular meeting of 2023 on Monday evening, September 18, 2023 from 6:00 PM to 9:00 PM. At this meeting, NorthStar and Vermont State Agencies will provide updates of recent Vermont Yankee (VY) decommissioning activities. Recent activities of the Panel’s Federal Nuclear Waste Policy Committee will also be discussed. Additionally, the Panel will discuss several Panel administrative issues, including a potential change in Panel leadership, potential budgetary expenditures for the current fiscal year and potential in-depth discussion topics for future Panel meetings.

The complete agenda for the September 18th meeting may be viewed at:

<https://publicservice.vermont.gov/document/meeting-agenda-09-18-2023>

Votes on Panel agenda items may occur.

All meeting presentations will be posted on the VT NDCAP website at <http://publicservice.vermont.gov/electric/ndcap> as they become available in the “Meeting of September 18, 2023” section. Downloading meeting materials prior to the meeting start is suggested for those with poor internet connectivity. Questions or comments on the meeting presentations may be sent to the Panel before, during, or after the meeting by emailing PSD.NDCAP@vermont.gov. All emails sent to VT NDCAP become public record.

As permitted by [ACT 1 of the 2023 Vermont Legislature](#), this meeting will be conducted solely as a webcast and teleconference via Zoom. **No physical location is designated for this meeting.** Connectivity information for joining the meeting by computer or smart device is as follows:
