

Disconnect of rental units

Shorten the 10 day period to 5 business days
AGREE

Ability to notify owner if electric is disconnected during winter months to prevent damage to building.
Before electric is DNP

Yes
Yes Again!

Would need permission from building owner to make any changes to metering/wiring. ??
↑ should be part of the process already! ?

- A way too protect owners from squatters? - yes!
- L.L. Should have the authority to make decisions on their own property
- Create standards for what type of info can be shared and with who State-wide

The Above land lord statements. Yes!

72 hours to notify utility of moving
