

# Rate Design Case Bulletin

Green Mountain Power Case No. 18-2850-TF

Department of Public Service

## Department Seeks Public Comments Regarding Green Mountain Power's Rate Design

On August 3, 2018, Green Mountain Power Corporation (GMP) filed revised tariffs with the Vermont Public Utility Commission (Commission) that reflect changes to their rate design which may take effect as early as January 1, 2019. The proposed rate changes are designed to be revenue-neutral, and to reflect the results of the embedded cost-of-service study filed with the PUC, which recommends a reallocation of less than 4% of GMP's total revenue collection.

The Department of Public Service is a party to GMP's proceeding and is now actively reviewing records and filing materials to determine whether GMP's proposed rate increase is just and reasonable.

There will be further investigation and proceedings over the next several months related to the proposed re-design of GMP's rates. The Department of Public Service encourages ratepayers to follow the case on the PUC website.

To read more about this rate case, use the PUC's website by going to: <http://puc.vermont.gov/epuc-information/case-and-document-search>. Helpful hint – if you create an account, you'll be able to see more details. We want to hear your opinions about this rate case. Your comments will help us better understand and represent the public in this case.

### ***Get Involved – Public Participation Matters***

Make yourself heard by calling or emailing the Department of Public Service to let us know what you think about the proposed re-design of rates. Here's how to contact the Department:

Consumer Affairs & Public Information  
Vermont Department of Public Service  
112 State St., Montpelier, VT 05620

### ***Public Comments***

You can comment on the rate design case by attending and speaking at the public hearing convened by the Public Utility Commission. Comments may also be filed via the Commission's electronic portal at <http://puc.vermont.gov/epuc-information/make-filing> or by writing to:

Clerk of the Commission  
Public Utility Commission  
112 State Street  
Montpelier, VT 05620-2701

### **Public Hearing**

The Public Utility Commission will hold a public hearing, as follows, to receive input from ratepayers about this rate case.

October 10 – Rutland Free Library, Rutland

The Department of Public Service will host an information session starting at 6:30 PM during which the utility may provide information or answers to questions followed by the public hearing to begin at 7 PM. During the public hearing, ratepayers are invited to make comments about the rate design case in front of the Public Utility Commission.
