

SITE RESTORATION STANDARDS

George Desch, VT ANR

NDCAP – December 1, 2016

: Non-radiological SRS : Vermont jurisdiction

PSB and parties have established SRS

2013 Order – process for establishing complete SRS

CONTEXT

A decorative graphic consisting of several parallel white lines of varying lengths, slanted upwards from left to right, located in the bottom right corner of the slide.

- ▶ Site Restoration to begin immediately after radiological D&D
- ▶ Restore site to Unrestricted use: VT - IROCPP; ISFSI exception
- ▶ Removal of all structures
- ▶ No rubbleization
- ▶ All other Vermont laws apply

SITE RESTORATION STANDARDS

- ▶ 12/31/2014 - complete assessment of non-radiological conditions
- ▶ Subsequently - Parties to work in good faith to establish SRS
- ▶ Parties may agree to different standards and timing of Site Restoration if property were to be used for commercial/industrial use

SITE RESTORATION STANDARDS

- ▶ Complete site assessment not submitted
- ▶ State of VT has requested complete site assessment
- ▶ Parties have discussed additional site restoration standards; no agreement in place.
