Re: Determination of Energy Compliance

Dear Ms. Dimitruk:

Enclosed please find the Northwest Regional Plan and the Northwest Regional Energy Plan's Certificate of Energy Compliance, along with a companion document that records the procedural history, discusses public comments and offers observations.

In an effort to notify the public more broadly, please mail copies of these documents to your member municipalities and post them on your website. If you have any questions or concerns, please let me know.

Sincerely,

Sheila Grace
Special Counsel
