At this meeting, the Committee will receive an overview of US Congressional Spent Nuclear Fuel Solutions Caucus activities. The overview will be provided by Mr. Oliver Edelson, Legislative Assistant to US Representative Mike Levin (California 49<sup>th</sup> Congressional District), who Co-Chairs the Caucus. Further information on the Spent Nuclear Fuel Solutions Caucus is available through the following Twitter feed:

<https://twitter.com/SpentFuelCaucus>

A questions and answers period will follow the overview. Additionally, Committee next steps in assessing current Federal nuclear waste policies may also be discussed.

The Committee meeting is scheduled to run no more than 90 minutes. While public comments during the meeting are encouraged, speaking opportunities may be limited by this time

constraint. Members of the public are encouraged to provide written questions and comments in advance via VT NDCAP's email address at [PSD.NDCAP@vermont.gov](mailto:PSD.NDCAP@vermont.gov). All emails sent to the Committee become public record and may be published on the VT NDCAP website (<https://publicservice.vermont.gov/electric/ndcap>) or the Committee's webpage.

Further information regarding the Committee's activities to date is available online at the Committee's webpage:
