RE: WIFI Hotspot Assistance

Dear Mr. Hubbard,

The Selectboard of the Town of Highgate would like to extend a sincere thank you for your work to increase rural access to internet in Highgate. The sponsorship of a WIFI Hotspot from Microsoft and your prompt work to coordinate the installation are very much appreciated.

Many people in our community rely on municipal services and sites to complete weekly reporting to unemployment or other agency contact. In this time of separation and facility closure, we are lucky to be able to offer support to these residents as they try to keep their lives as normal as possible. This will remain useful when we return to normal programming at the arena and WIFI is helpful for program and event participants and their families communications at this busy facility.

Thank you again for your work and for the work of Justin McCourt of Up and Running Computers to install the system. We are very appreciative of the offer.

Sincerely,

Sharon Bousquet
Highgate Selectboard Chair
